

Santa Clara Sporting '01 Boys White and Green Team Tryout
(DOB: 8/1/2001 or younger)

Welcome to the tryout for the Under 9 Boys Fall Season. I will be forming two teams to play in the CYSA District 2 Fall League (Green & White). Following in the tradition of the talented Sporting teams that have come before us, I will teach our boys to play good, quality football, with an emphasis on possession, 1 and 2 touch, good communication and speed of play. Of course at this age group there is a healthy dose of fun and silliness mixed in. When all is said and done, and the boys have all grown up to become men, and are in their careers as doctors, dentists, contractors, businessmen, what have you, the ultimate goal is that each person will be able to look back at their time spent under my coaching here at Sporting and say to themselves, "If I could do it all over again, would I?" and be able to feel confident with the answer, "Yes I would...in a heartbeat." You can find out more about our team and the club in general at www.santaclarasporting.com.

We play soccer year round in the Spring and Fall Seasons. We also play futsal (indoor) in the Winter Season. Our normal schedule is 2 practices (2 hours long) per week and a game on the weekend (occasionally 2) during the season. All of our tournaments will be in Northern California, (most within 45 miles of Santa Clara).

If for some reason, your son cannot participate in the tryout or if you would like to refer players for us to evaluate, you are welcome to contact me to come to one of our practices.

Thank you for attending our tryout and enjoy the beautiful game!
